

FROM RESEARCH TO PRACTICE: GIS & CLIMATE POLICY

Presented By:

Guest Speaker:

Becky Dickson, Ph.D.

Becky Dickson has a Ph.D. in Geography from Clark University and is an expert in forest cover mapping and modeling. She is the senior manager of geospatial analysis at TerraCarbon, an advisory firm that helps clients develop carbon projects. She also teaches GIS, ecosystem services, and sustainability at Wake Forest.

NOVEMBER 16, 2022

12:00 P.M. - 1:00 P.M.
